CUSTODIANS

The custodians are in charge of keeping the building and grounds of Glacier in ship-shape condition. Glacier would not be in first class running order without the help of these men.

Mr. ROSE, Mr. KERBY, Mr. WYLIE, Mr. FLETCHER, and Mr. BOSH.

NURSE

Miss Henke, our school nurse, is always on duty in sick-bay and is always ready to give her professional assistance to any student.

SECRETARIES

The secretaries help keep Glacier on course by keeping the paper and financial work in order. Glacier could not operate without the efficient help of these secretaries. They can always be counted on to give friendly help and assistance at any time of the day.

COOKS

The cooks do much to gain the appreciation of the Glacier students and faculty. They are in the kitchen from early morning until late afternoon preparing hot lunches and keeping the Glacier galley bright and shining.

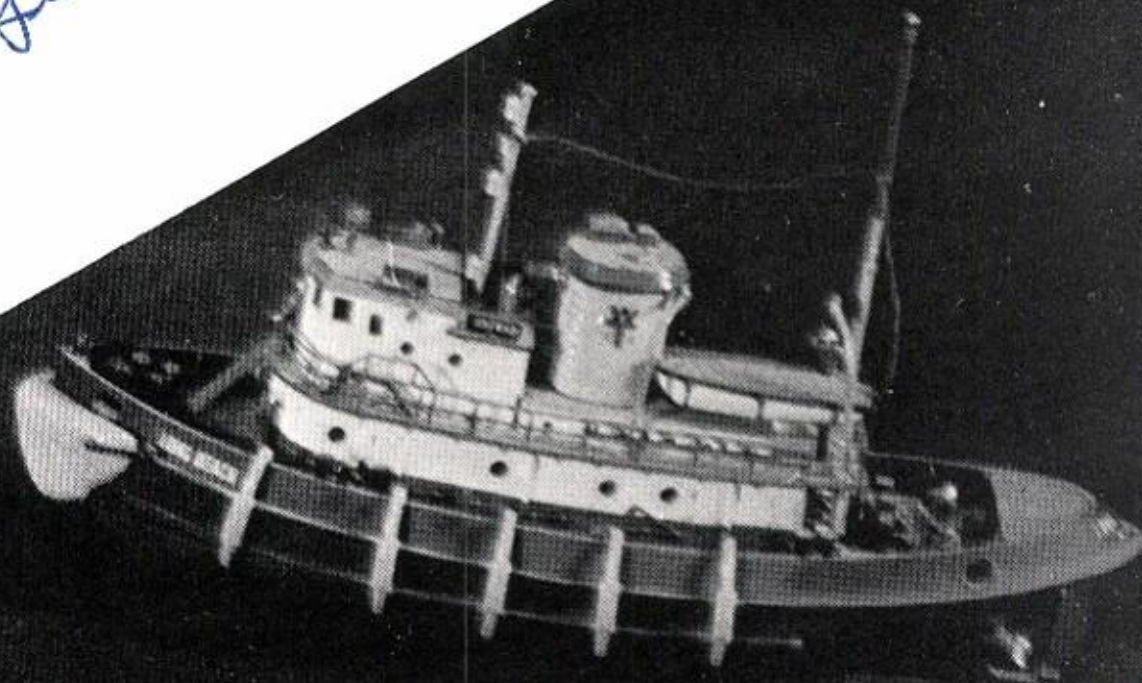

Mrs. MORASCH, Mrs. WRIGHT, Mrs. HREN, Mrs. WASSON, Mrs. WESTBROOK, and Mrs. OLSEN.

April,
 It's been real nice knowing you this year. Remember the
 night we folded programs for the tro. Have fun
 this summer

SAILING TOWARD SUCCESS

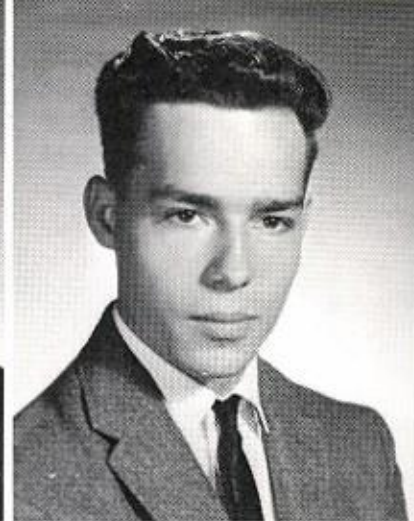

This years graduating class of "1963" will be the first class to complete all three years at Glacier. This class will go forth with eagerness and hopeful anticipation to face the many problems of the future. As they look back on their three years at Glacier, they will remember the class plays, the Junior-Senior Prom, the Homecoming, graduation and Baccalaureate, but most of all they will cherish the traditions that they helped to set.

The 1962 Grizzlie

This fall the Grizzlie team at football
 Played better and won more, than all
 The Glacier teams who had gone before.
 Look at the record, look at the score,
 Look carefully; you need not fear
 This was better than an average year.

The Auburn game gave fans a chance to yell,
 To hope all other games would go as well,
 For this Grizzlie had won at the start
 And continued on to do its part.
 Playing good football throughout each game
 Win or lose its loyal fans were the same.
 And oh, such fans to stop all chatter
 And beautifully sing our Alma Mater.

Victory came more often this season
 Giving the school and its fans more reason
 To hope this Grizzlie, each school, would beat
 To charge them and score, not to retreat.
 The band at full strength played louder,
 Why, even the yell staff looked prouder;
 But the center of attraction this year
 Was a team the fans could endear.

Now look at the record, look at the score
 Only the two co-champions gave this squad more
 Better football than they themselves played,
 Even so, right to the last this team stayed
 Near the top in the league's placement.
 Causing Coach Anderson to make this statement,
 "This team has been Glacier's Best"
 It has done better than any of the rest.

Again the Grizzlies started out their football season by playing Auburn. During the first quarter we were able to score 13 points, which later in the game proved to be the winning score, by defeating Auburn 13—7.

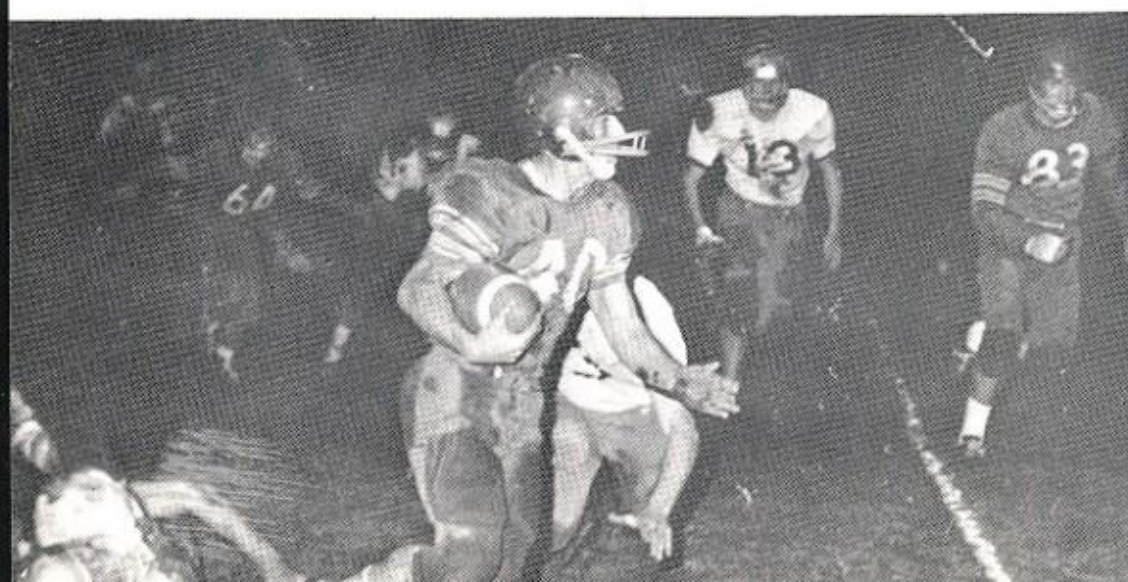

The next game of the season was with Highline High School. In the last half of the fourth quarter, Highline made the winning touchdown, beating Glacier 12—7.

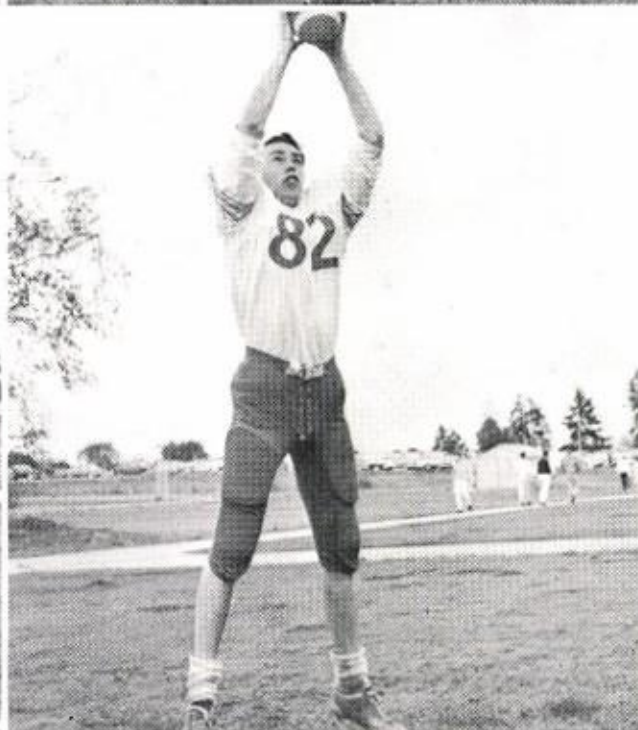

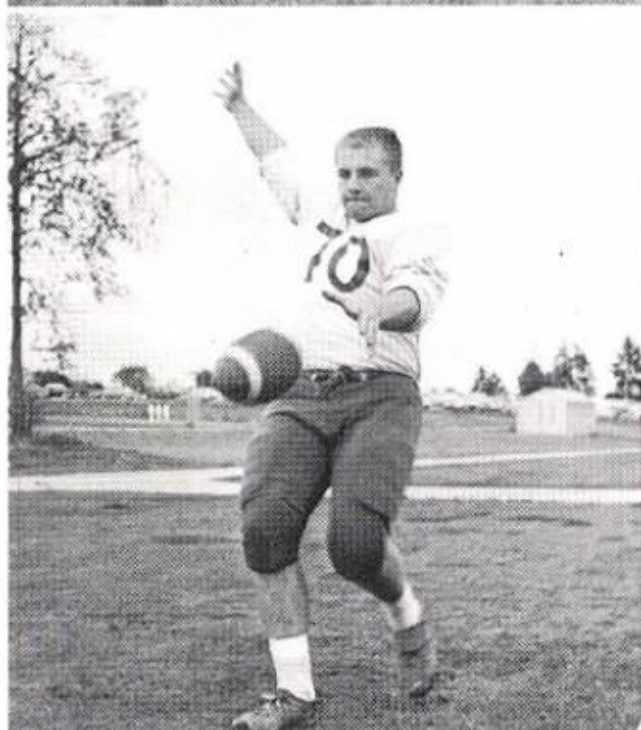

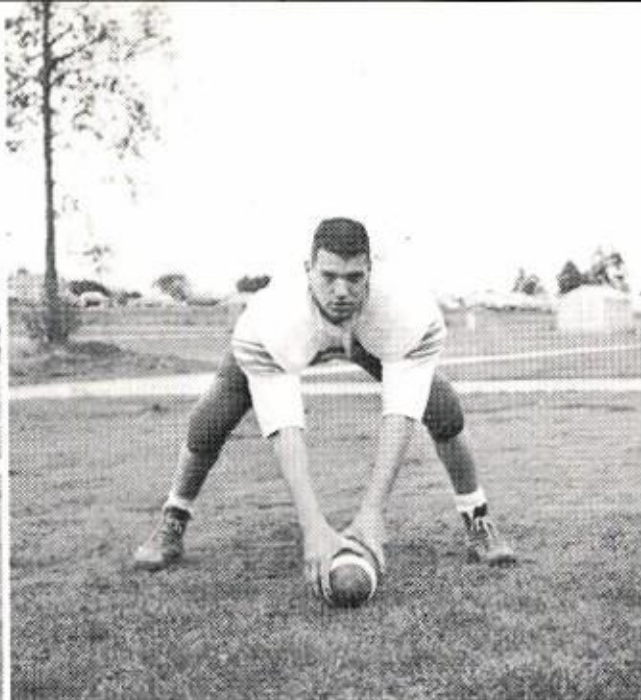

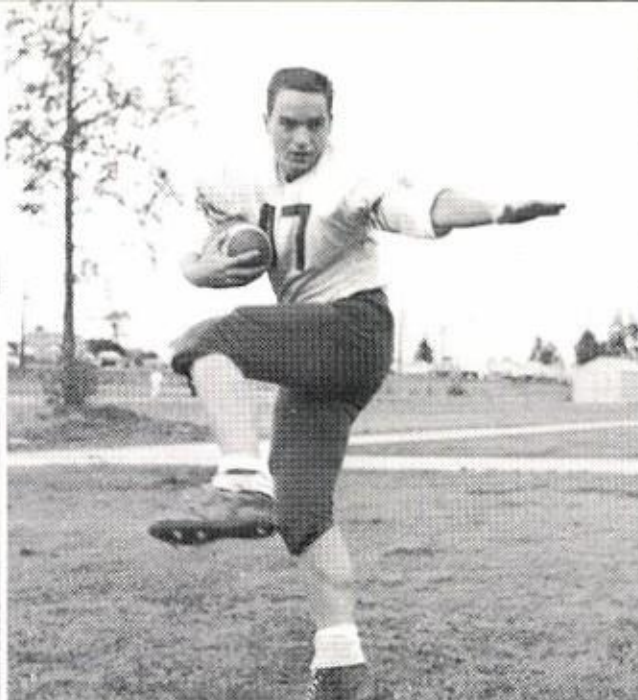

Glacier played a great game when they went up against Franklin Pierce in their third game of the season. At half-time Franklin Pierce was ahead of the Grizzlies 7—6, but Glacier came back to beat Franklin Pierce 12—7.

In Glacier's fourth game of the season they met the Renton Indians a powerful team. The Grizzlie ball club had a real hard time moving the ball and couldn't stop the Renton Indians. The final score was Renton 26 Glacier 0.

The fifth game of the season against Kent proved to be a very exciting one. In spite of the 0—0 half-time score, Glacier came back to beat Kent 13—0.

Glacier met the league leading Evergreen Wolverines in their sixth game of the season. Evergreen scored their only touchdown in the first quarter, leading the Grizzlies 7—0 at half-time. In the third quarter Glacier came back and scored their only touchdown. This game ended up in a 7—7 tie, the same score as the year before, when we played them. The Glacier Grizzlies had one of their best offensive drives of the season when they met the Enum-

claw Hornets in their seventh game of the season. All during the game, the Grizzlies led, finally defeating Enumclaw 21—12.

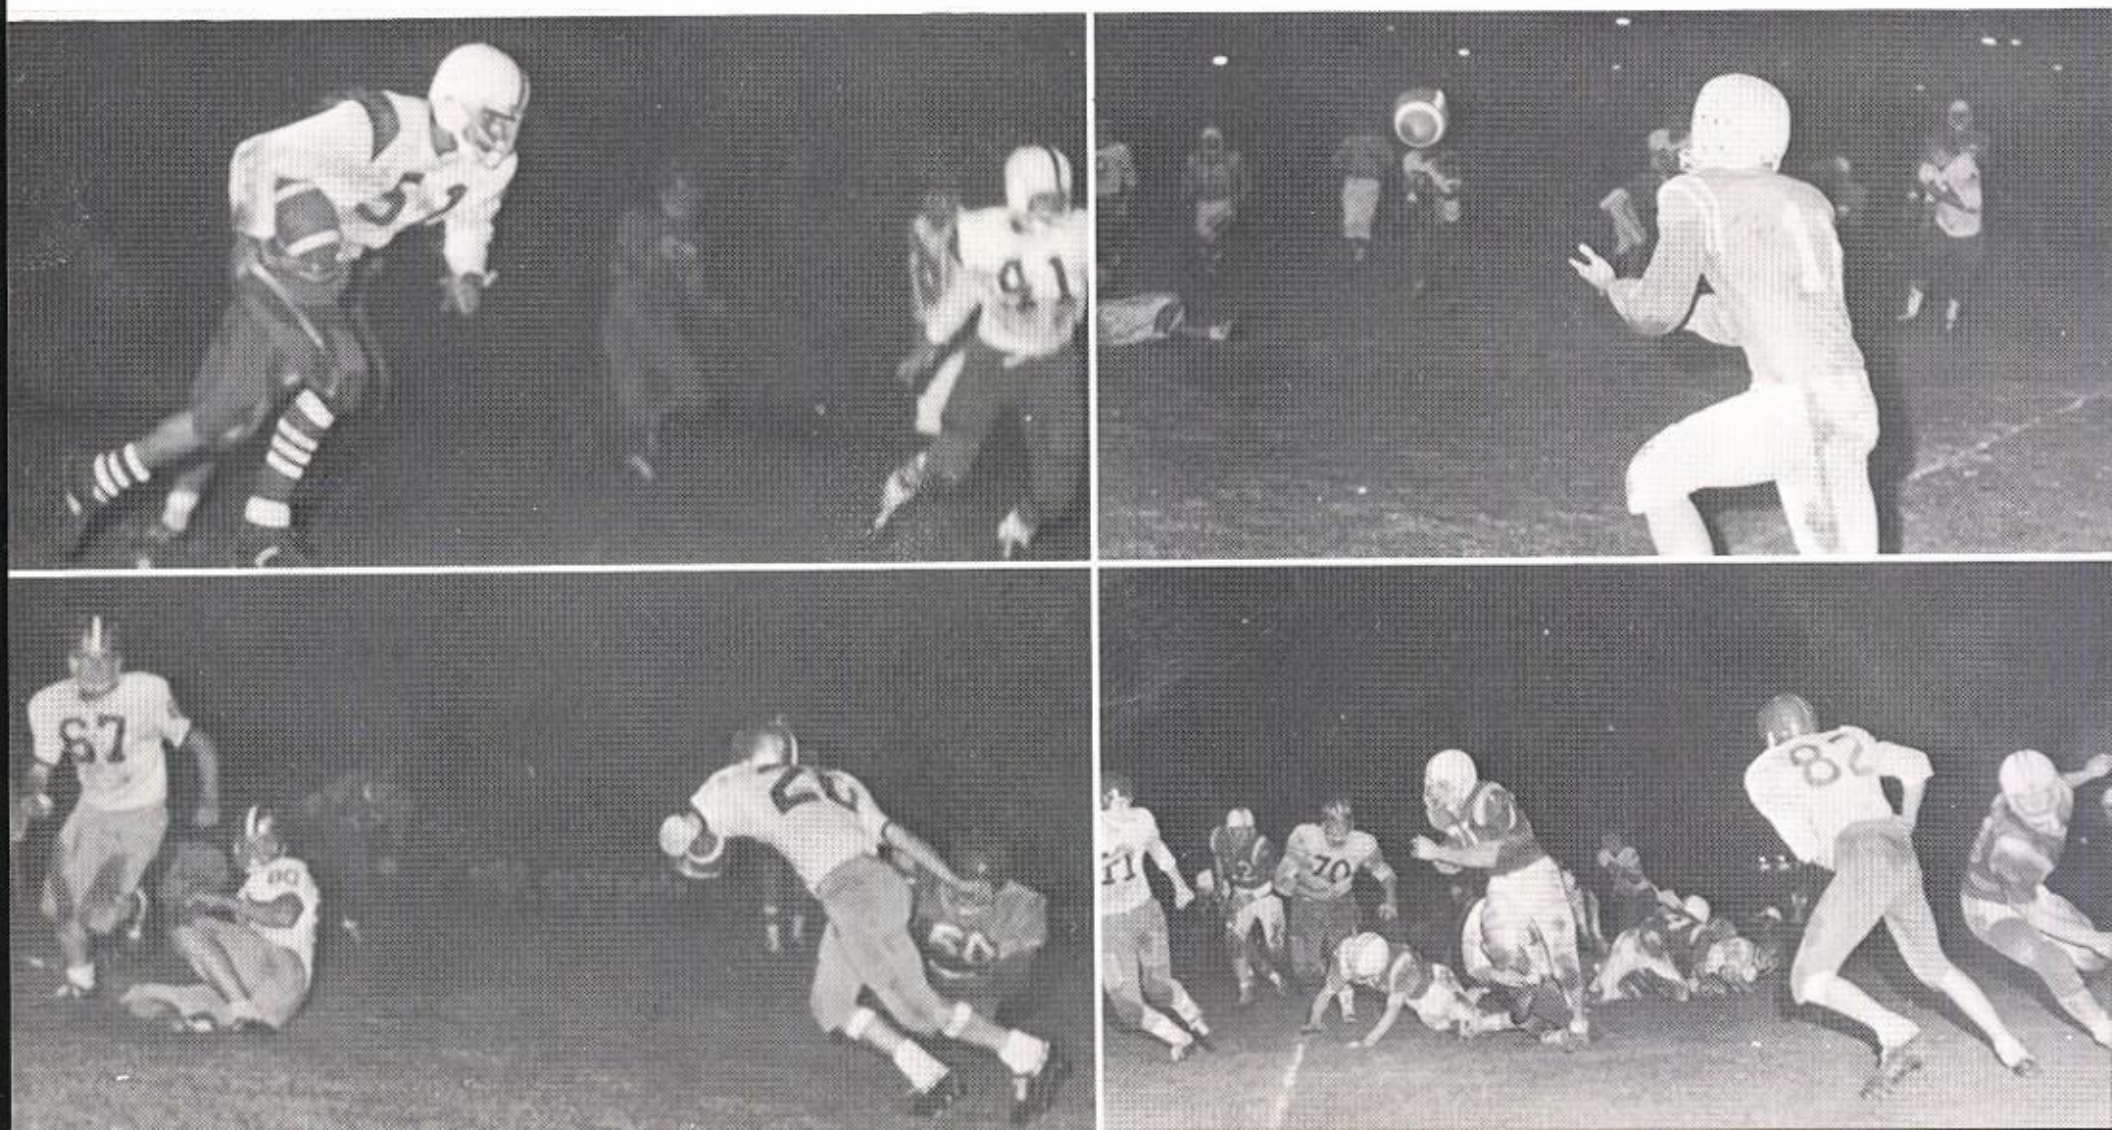

The Mt. Rainier Glacier game was so close yet so far. The Rams led the Grizzlies 6—0 at half time. Then both teams came back and scored another touchdown, making the score 13—7 in favor of Mt. Rainier. In the last minute of the game Glacier made one last drive to win the game, they came two inches away from making a first down when the final gun sounded. The final score was Mt. Rainier 13, Glacier 7.

In the final game of the season Glacier met Puyallup one of the toughest teams Glacier met in their second football season. Puyallup led Glacier 6—0 at half time and then they went full force in the fourth quarter by trouncing Glacier 38—7. This game ended Glacier's best football season with 4 wins 4 losses and 1 tie.

Though not being a team which was at any time a serious threat to the championship, the Grizzlies did over-come their inexperience and made every game a hard-fought contest.

Other teams were more consistent at "hitting the hoop" and winning ball games, but few had the fighting spirit of the GLACIER GRIZZLIES.

Autumn Leaves

"Autumn Leaves" set the theme for Glacier's second annual Homecoming activities on November 2, 1962. Beginning with the Homecoming Assembly and the welcoming of the graduates, the victorious football game and dance followed later in the evening. Royalty crowned were Carole Jonientz, Homecoming Queen; Ann Alexander, Junior Princess; and Marji Burdine, Graduate Princess.

Various entertainment at the assembly was climaxed by a group of our young-at-heart teachers, "The Snags." For our Homecoming game, the Mighty Grizzlies trounced the Enumclaw Hornets, 21-12. The hard work of Homecoming chairman Erlene VanDerMeer and those on all the committees proved to be well worth the effort put forth.

Glacier's "Autumn Leaves" will remain a fond memory in the hearts of all the Glacier students and grads which it honored.

The Homecoming dance was elaborately decorated and provided a friendly and congenial atmosphere. Besides the many Glacier students, a large number of graduates returned to see old friends and to recall their days at Glacier.
